Field Trip Program

Document or teacher-led field trips are offered to grades 3-12, and to colleges/universities, supplementary programs, non-profit groups, and youth organizations (ages 8-22).

KAROKMI HOLOCAUST EXHIBITION

Explore the history and lessons of the Holocaust as told through the personal belongings, photographs, historical records, and stories of local survivors and eyewitnesses.

MAKE A DIFFERENCE: THE HARVEY L. MILLER FAMILY YOUTH EXHIBITION

Gain a hands-on learning experience to explore character education, social justice, leadership, decision-making, and self-reflection. This exhibition, grounded in social-emotional learning, uses both high tech and low tech interactions to engage students of all ages and interests.

TAKE A STAND CENTER

Empower students to connect with human and civil rights history and challenges today, gathering tools for civic engagement and positive action in their community and around the world.

Maurice and Rosemary Goldstein Memorial Endowment Fund

Student Leadership Days

Empower students to build their leadership skills, explore their roles as citizens, and develop a deeper awareness and understanding of the lessons that can be learned from the past.
