Introduction

The mission of Illinois Holocaust Museum & Education Center is expressed in our founding principle: Remember the Past, Transform the Future. With that goal in mind, we work to teach current generations to fight hatred, prejudice, indifference, and genocide in today’s environment. Through world-class exhibitions, programs, and professional development opportunities, the Museum inspires individuals and organizations with a universal wake-up call to action: Take history to heart. Take a stand for humanity.

In 2019, Illinois Holocaust Museum & Education Center received a 90% increase in inquiries from schools and individuals looking for support as they grapple with hate incidents. This toolkit is designed to share practical tools and resources that can be used immediately.

History has shown us the dire consequences when hatred and prejudice are met with silence and indifference. Often beginning with words, hatred can accelerate quickly when left unchecked. We must take seriously these early warning signs and take action to intervene. YOU have the power to build safe, inclusive, and caring school communities, and we are here to help you navigate challenges. Let’s take a stand, together.

Essential Tools and Resources
You Can Do with the Support of the Museum

Visit the Museum
Illinois Holocaust Museum & Education Center is designed for visitors aged 3rd grade and older. Visits will educate audiences about the history of the Holocaust and inspire individuals to stand up for what’s right – to turn powerful lessons of history into positive actions today. We are open 7 days a week and offer docent-led public drop-in tours and an all-new audio tour if you prefer to explore the museum at your own pace. For educators, we offer dynamic field trip options, including a virtual option, to fit your students’ needs. Scholarships are available. Explore all options at www.ilholocaustmuseum.org/field-trip-options/.

Explore the Take a Stand Center
An immersive, four-gallery permanent exhibition, our Take A Stand Center includes the ground-breaking Abe & Ida Cooper Survivor Stories Experience, featuring interactive holographic technology; the Goodman Upstander Gallery, highlighting 40 change-makers working toward civil, social, economic, health, and environmental rights; the civics-focused Take A Stand Lab, exploring how to raise awareness, give, advocate, and participate; and The Act of Art Gallery, stimulating the idea of citizen artistry as a response to human rights issues. Visitors leave our Take a Stand Center inspired to learn more and to be more culturally aware, civically engaged, and empowered to move to action! www.ilholocaustmuseum.org/tas/

Attend a “Courageous Conversations” Professional Development Workshop
Illinois Holocaust Museum & Education Center offers a variety of full-day and evening professional development workshops for elementary, middle, high school, and college/university educators. One of our signature workshops is on the topic of courageous conversations. This workshop offers best practices for creating positive classroom atmospheres where challenging and productive conversations around topics such as racism, antisemitism, and bias can happen. Explore all upcoming workshops at www.ilholocaustmuseum.org/pages/for-educators/professional-development/upcoming-workshops. You can also request a Courageous Conversations workshop to come to your school or organization by emailing us at education@ilhmec.org.

Host a “Courageous Conversations” Parent Workshop
The Museum also offers professional staff to speak to local PTA or parent groups about how to have courageous conversations with one’s own children on topics of hate incidents and difficult news. You can request a Courageous Conversations Workshop for parents in your community by emailing education@ilhmec.org.

Invite a Speaker to Your Next School Assembly
Illinois Holocaust Museum & Education Center’s active Holocaust Speakers’ Bureau is available to speak to audiences at the Museum and in the community. Sharing both the history and lessons of the Holocaust, our Speakers are able to make connections to the power and consequences of hateful words, choices, and actions. Our speakers deliver tailor-made messages of hope, acceptance, and the importance of doing the right thing despite unimaginable circumstances, thereby teaching audiences vital lessons that transcend age, language, and religion. Contact us to coordinate a speaking engagement for a member of our Holocaust Speakers Bureau at your school. We also refer speakers on contemporary topics and issues. Please email education@ilhmec.org for more information.

Bring a Teaching Trunk Into Your Classroom
Illinois Holocaust Museum’s literature-based teaching trunk program provides K-12 educators with a wide array of resources for classroom units on topics including character education, human rights, the Holocaust, and genocide. Each trunk includes curriculum guides with grade-appropriate lessons employing award-winning fiction, non-fiction, historical reference materials, replica artifacts, DVDs, and teaching posters. The focus of each trunk has been carefully developed to address Illinois State and National Learning Standards, including Common Core State Standards. Trunks are shipped nationwide and are free of charge. Learn more and reserve your trunk today at www.ilholocaustmuseum.org/pages/for-educators/teaching-truck-program/.

Empower Student Leaders
Our intensive Student Leadership Day programming engages students in 5th – 11th grades with captivating, world-class Upstander speakers, interactive programs, and the opportunity to create an action plan to take back to their school. Student Leadership Day inspires students to build leadership skills, explore their roles as citizens, and develop a deeper understanding of the Holocaust, genocide, and other human rights issues. Students leave with increased knowledge, and new tools and resources that emphasize the importance of standing up against injustice and bigotry. The program offers participants an opportunity to engage with diverse peers and participate in discussions about perspectives other than their own, increasing their self-efficacy, and potential for learning, allowing them to return to their communities with the tools and drive to promote greater acceptance and understanding. www.ilholocaustmuseum.org/pages/learn/student-programs/student-leadership-days.
