**Image Description:**
- The first image shows a webpage for paying online with options to enter the name of the school, date, and pay in full.
- The second image displays a PayPal checkout page with purchase details for the Illinois Holocaust Museum and Education Center, allowing the user to select Field Trip Payment and enter the price per trip in USD, with a quantity of 1.
On the last screen, you’ll see the amount you are going to pay – and you’ll want to use “PayPal Guest Checkout”, this way you don’t have to create an account. Simply fill the fields out, and click “Pay Now” at the bottom. A receipt will be auto generated to you – and a copy will be sent to the Museum – so we know you paid the bill.

Thanks so much!
