About the Museum

Third Largest Holocaust Museum in the World

OUR HISTORY

BECAUSE THEY TOOK A STAND

In the late 1970s, local Holocaust Survivors and concerned citizens of Skokie, IL., stood up against neo-Nazi threats to occupy their streets and vowed "Never Again." Their stand evolved into the 3rd largest Holocaust Museum in the world.

OUR PURPOSE

TRANSFORMING HISTORY INTO LESSONS FOR TODAY

Stories of hatred, prejudice, and inhumanity still make headlines every day. Illinois Holocaust Museum & Education Center uses the history and lessons of the Holocaust to inspire individuals of all ages to stand up for what's right — to turn the powerful lessons of history into positive actions today.

OUR ARCHITECTURE

SYMBOLIC BY DESIGN

From the moment visitors arrive, the Museum's inspired design by award-winning architect Stanley Tigerman takes them on a transformative journey.

OUR GOAL

EDUCATING AND INSPIRING UPSTANDERS

Each year more than 145,000 people are impacted by our programs that facilitate a better understanding of the balance between individual rights and civil protection. All of our educational efforts focus on inspiring and empowering participants to be Upstanders — *people who take a stand for humanity.*
