Week 3: Family Shield

What is a family shield?: A family shield is a decoration that people used to hang up in their houses in Europe. The shield symbolizes what it means to be a part of a family.

Real Family Shield Example:

Draw your own family shield! Follow these step by step instructions to create your own!

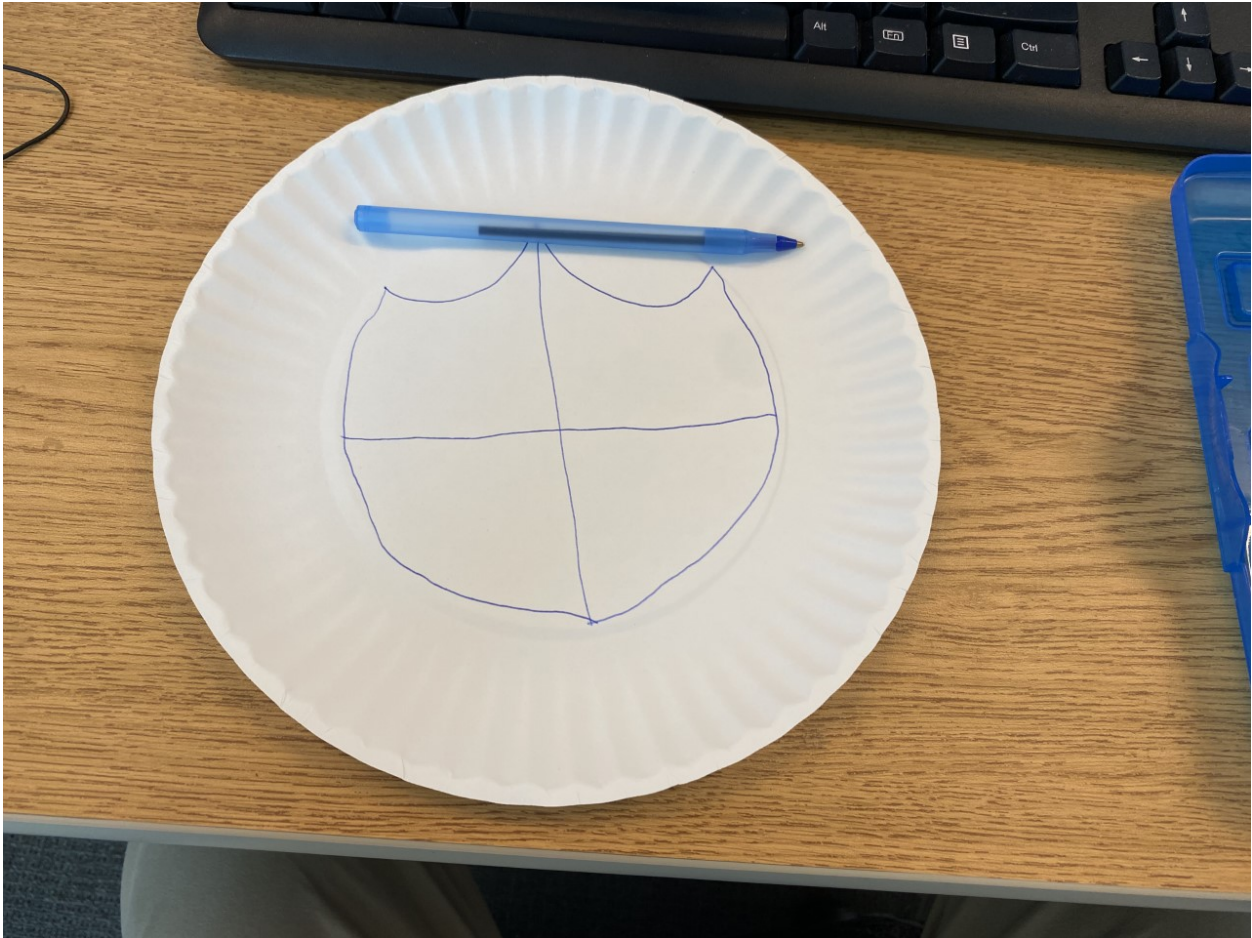

Step 1: Get a paper plate, some crayons, and some safety scissors.

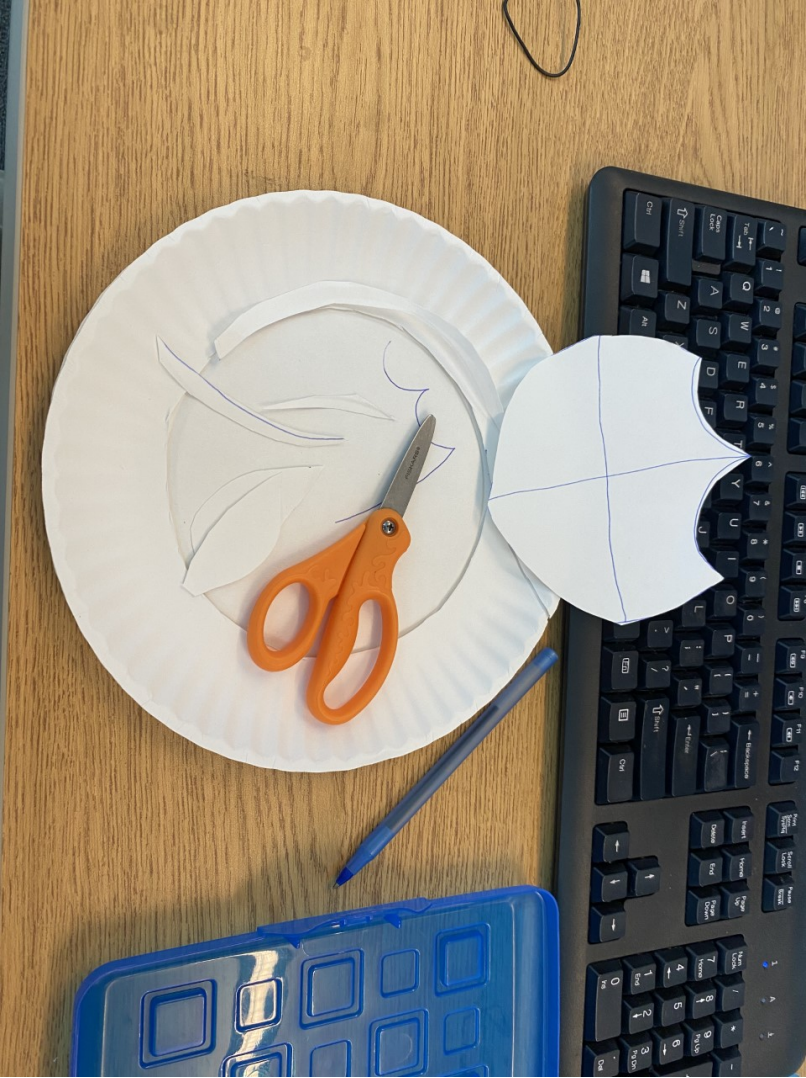

Step 2: Draw an outline of a shield

Step 3: Draw in lines dividing up the spaces on the shield

Step 4: Use the safety scissors to cut out the shield

Step 5: Draw what is the most meaningful to you and your family!
