Summer Upstander Activity Club
Week Four - Friendship

A friend can be anyone! Pick someone you call a friend and think about why they are your friend while asking them some questions to get to know them better! You can draw a picture of them on the back of this activity!

- **What is your friend's name?**

- **What town does your friend live in? How old are they?**

- **What is your friend's favorite color?**

- **What is your friend's favorite animal and why?**

- **What do you like the most about your friend?**

- **What is your friend's favorite thing about you?**

- **What is you and your friend's favorite thing to do together?**

Be sure to show us your work, by sending a picture of you completing the activity, or of your finished product. Email it to us at education@ilhmec.org, each entry is another chance in our raffle for cool prizes!
