Week 4: Build a Friend

What makes a good friend? All friends have certain qualities that make them good friends. What qualities do you want to see in your friends? Build a friend below! Follow these instructions to build your ideal friend!

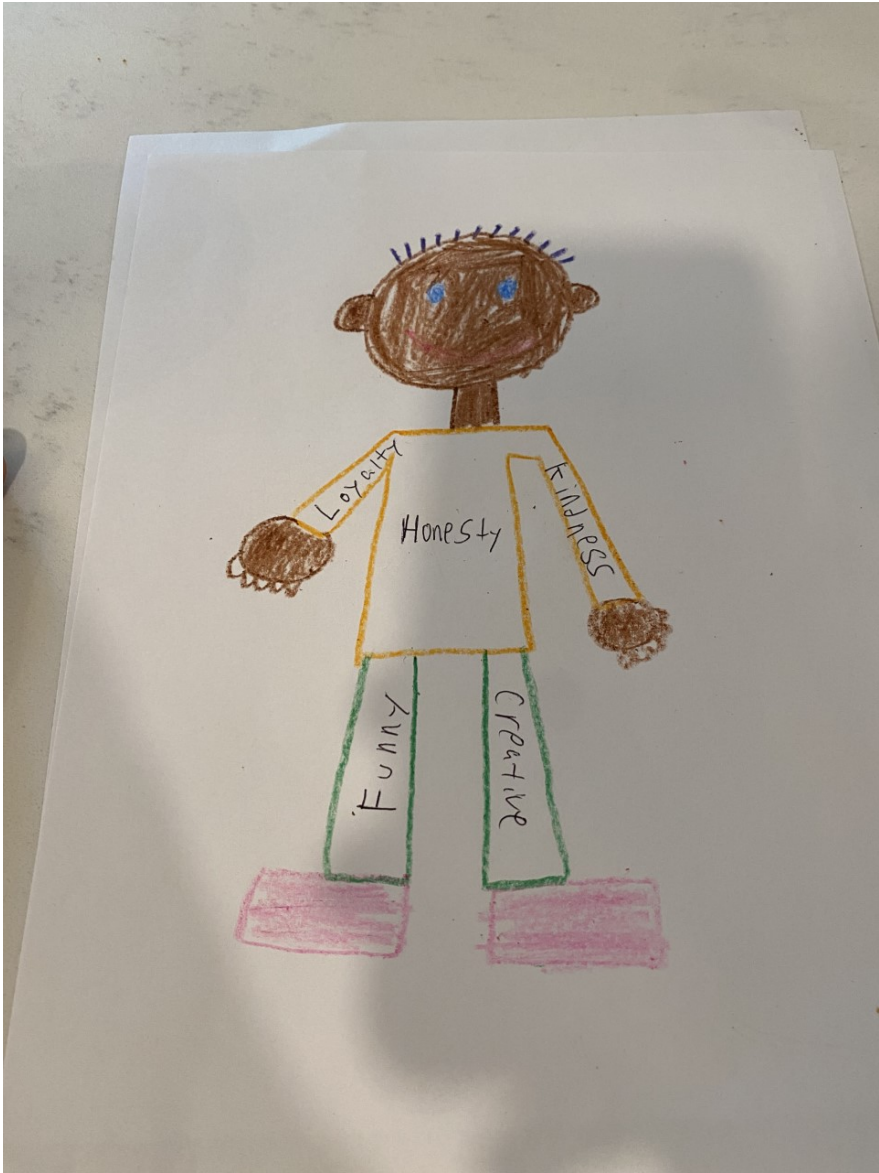

Step 1: Get some paper and some crayons.

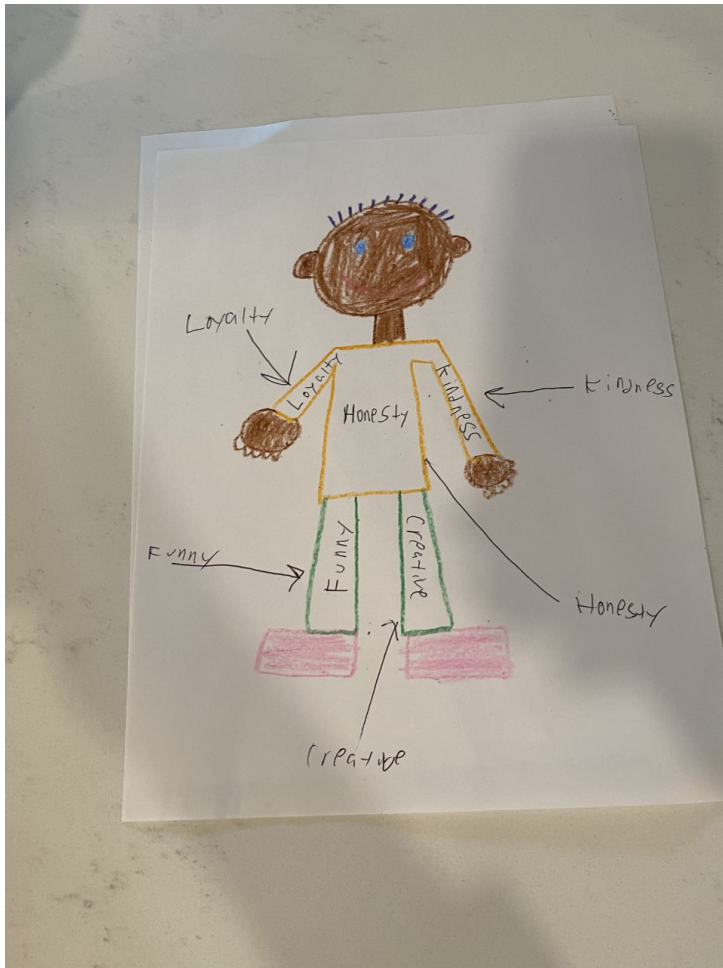

Step 2: Draw your friend!

Step 3: Label your friend with qualities you want in a friend!

You can also draw lines connecting to your friend!

Just remember! To treat your friends the way you want to be treated!
