Week 5: Natural Reflection

Natural Reflection: Natural reflection refers to a peaceful place outside where one can go and relax. At the museum, visitors are welcomed to reflect (think peacefully) in the peace garden outside the museum. Where is a place outside that you like to reflect? It could be in your backyard, at a vacation spot, your friend's house, your grandma's house, ANYWHERE.

Peace Garden:

Write down the name of the place you like to reflect (backyard, friend's house, grandparents house, a vacation spot, etc...):

Draw a picture of the place you like to reflect and share it with us!

Example: I drew my backyard! That is where I like to go to reflect in nature. Draw your own picture!
